CHURCH COVENANT.

“As we trust we have been brought by divine grace to embrace the Lord Jesus Christ, and by the influence of his Spirit to give ourselves up to him, so do we now solemnly covenant with each other, that, God enabling us, we will walk together in brotherly love; that we will exercise a Christian care and watchfulness over each other, and faithfully warn, rebuke, and admonish one another, as the case shall require; that we will not forsake the assembling of ourselves together, nor omit the great duty of prayer, both for ourselves and for others; that we will participate in each other's joys, and endeavor, with tenderness and sympathy, to bear each other's burdens and sorrows; that we will earnestly endeavor to bring up such as may be under our care, in the nurture and admonition of the Lord; that we will seek divine aid to enable us to walk circumspectly and watchfully in the world; denying ungodliness and every worldly lust; that we will strive together for the support of a faithful evangelical ministry among us; that we will endeavor, by example and effort, to win souls to Christ; and, through life, amidst evil report and good report, seek to live to the glory of Him who hath called us out of darkness into His marvelous light.

“And may the God of peace, who brought again from the dead our Lord Jesus, that Great Shepherd of the sheep, through the blood of the everlasting covenant make us perfect in every good work, to do His will, working in us that which is well pleasing in His sight, through Jesus Christ; to whom be glory, forever and ever. AMEN.”

FINANCIAL PLAN OF THE CHURCH.

1. All the members of this church are required to give of their substance to the support of the church. In order to reach each member, the membership is to be distributed equally among the Finance Committee; each Committeeman to have a list of his Class, and to keep an account of all who fail to pay their dues.

2. A list of the delinquent members, male and female, old and young, is to be furnished by the Treasurer to each Committeeman, at each monthly meeting for business; and it shall be their duty to call upon such delinquents and collect their dues, or ascertain the cause of their delinquency, and to report their names to the next regular meeting for business, if they still fail to pay their dues. They will also report whether, in their opinion, the failure arises from inability to contribute, and when satisfied of such inability, the Church will excuse such delinquents until such time as their circumstances shall enable them to contribute.

3. All members, whose delinquency is not shown to proceed from inability to give, shall be dealt with by the church for neglect of their duty, and, unless a satisfactory excuse be given, shall be excluded.

4. This plan is not interfere with the regular collection on each Lord's day, at which time the contributions above mentioned are payable. Each member will place his contribution in an envelope, seal it, and put his name and amount contributed on the back of the envelope, that it may be credited by the Treasurer.

5. At each monthly meeting the Treasurer will report the amount of collections for the month, and these collections shall be applied to paying Pastor's salary, and such other current expenses as they may be sufficient to cover.

6. The amount contributed by each member is expected to be proportionate to his or her ability, and any member who shall give evidence of a disposition to shirk or evade his or her fair proportion, shall be reported by the Committeeman who has his or her name, that he or she may be dealt with for covetousness. Every member is to contribute to the expenses of the church.

7. The contributions of members are to be reckoned as due from the first of January of each year, and will be collected in accordance with the above plan. The Finance Committee is to see that this plan is carried out, and will report to the church any violation of it which may come to its notice.
